Thank you for your response. I appreciate the query report of case numbers associated with same name as mine. It was helpful toward my objective. Since "Personal papers and effects have been illegally seized and stolen (by conspirators colluding in misconduct)," I need to identify specific case pertinent for recovery of my personal records. Could you please inform, by reply, of which cases (of either 2001JCV116343, 2001JCR120041, 2003DR00063 or 2003JG011286) also mention one Marie Brosky or Marie Beaver as party? Thank you

I am certain, living my life, that there was a DR case pending 1999 through 2004 approximately! Marie Brosky was party. During, her name changed to Beaver. It involved custody of one Tia Horton. The others are her juvenile delinquency cases while in custody of the former, and an African-American foster family who harassed me for non-entitled child-support. What is the number of this custody case requested? Also, please provide, by reply, summary information of 2007030022

If the case described with my request does not exist, there conspicuously has been criminal record tampering and destruction. I do have proof of organized crime motive. It has been a recurring problem in my matters from these organized criminals colluding with infiltrated.

What is this number. What is 2007030022, a separate case about? I expect obligatory answer!

I have been redirected with my inquiries. For clarity, do you work for the Stark County Court of Common Pleas? A search of its website was without results. If so, what

In my situation communications need to be by email. I am extremely time-consumed by various malicious, procedural harassments and obstructions. It is not practicable to attempt phone calls. Email is available for efficient, convenient correspondence in matters.

Three years and seven months ago, prosecutorial action (still pending) was initiated against Petitioner, James E. Horton. Public Officials. The first case (case: 13-3628) amongst Malicious series of Prosecutorial Harassments initiated 06242013 charging violation of Resisting Arrest Immediately post arraignment, Public defender (Ron Howard) overzealously and inexplicably raised Unreasonable and Malkaxis Doubl of Petitiona & College 12 NC 10 STAND TRIAL during open pretrial conference. Howard based Doubt raised solely on police report without adequate consultation due per Fiction 2019 respective to an Attorney?s Oath. Furthermore, during same hearing, Public Defender requested to ?Fast Track? said case as he verbalized according as to local procedure. invented as termed (at least at current time). Procedure (anomalous and arbitrary) was granted upon his request. It prejudices fundamental Due Process Rights prima-facie, therefore, in response, Petitioner filed a Faretta motion raising issue of Substantial Conflict Irreconcilable due to Incompetent and Ineffective Courses by the Public Defenders? Office. Court granted, upon second Faretta motion, Waiver of Counsel and Self-Representation on 02242014. Since Waiver of Counsel Petitioner filed pretrial motions (timely and proper with full merit) defending that prosecution lacked probable cause upon a pretextual malicious. Takes were prejudicially denied. Court maliciously continued pursuing wrongful prosecution. Petitioner continued challenging prejudicial errors and denied seems yet cases a still pending.

Subsequent to this first arraignment, an overburdening series of actions began. Four additional, trivolous charges initiated. At respective arraignments Counsel was appointed for three of them (Cases: 13-23865, 14-1219 and 14-4497).

During pendencies, appointed counsel orally motioned for another anomalous procedure for all these subsequent cases typether which Judge Daniel Maguire agreed to and ordered. Said to be ?trailing,? but not joindered, all cases versus Petitioner were made to be scheduled consecutively and consumently on the docket. As a result, all hearings were scheduled for all cases simultaneously

Scheduled hearings, actually, were discriminatorily truncated with obstructionist effect. Throughout, Maguire continually prejudiced Petitione % time for Due Process procedure to be heard on matters for even first case while others were postponed and said to be "trailing" as aforementaned transalt, abusing discretion, he rationalized claiming ?interest of the time of the court? with an ?overburdened docket ? Contrarily, Petitioner continually argued court Malicousty descriminated against him when considering same basis

Subsequent case: 13-23865 also initiated by the West Sacramento Police Department upon first contact on 100072013. Petitionial on date, was charged with Illegal Scavenging... for taking one bottle from a garbage can.. On 05092014, Petitioner appeared in Department 7 (of old court house in Woodland) of Criminal Court before Judge Maguire for hearing upon Motion to Dismiss in first case (13-3628). Suddenly, in open court, judge opened proceeding to presenting unequestion. Petitioner with the addition of this case to the Criminal Court docket. Judge called Public Defender, Karen Soell (present for other cases on same day is docked) to the bench since appointed at pretrial conference in case numbered. 13-23865 on 04092014. Per incompetent, arbitrary required of said public defender. Resourcement court grossly abused discretion granting invented procedure that Due Process for said case ?trail? case 13-3628. Thereby, in effect, Due Process on subsequent case was postponed until completion of first case. Otherwise, court treated case as if joindared in error within minutes recorded, and vel severally, for each case. Counsel's request was without consent of Petitioner and without consultation. Consequently, procedure on it has thus far been totally nector that then decrease? procrastinated on by public officials. Meanwhile, minutes for each proceeding are recorded severally for all case daskets simultaneously as schedules can unpublic (as if joindered without relevant nexus) and with inadequate time for oral hearing procedure imposed ? gross procedural anomals unjustifiable

This case also was transferred in error to Department 7 of Criminal Court by anomalous procedure. Actually, (by malicious incomprehence) has a region was successful. Anomalous procedure motioned for aforesaid grossly prejudiced Petitioner prima-facile. By such gross abuses of december, the Process has been prosely denied. Petitioner expressed contrary desires during very few, inadequate consultations with coursel. Furthermore although cases subsequent were revealed vacated (unspoken) as ?trailing,? still records (Minute Sheets and Case Summary Reports) falsely reflect. ?Malter Heard? for hearings in each sequent. A case, 14-4497 initiated by Woodland Police Department alleging violation of PC 7 415(1). Facts are that a Corporal bailed Petitionar by blocking en. trance to Police Station retaliating against his intent to acquire a citizen?s complaint form concerning prior misconduct. Said case was dismissed upon motion to dismiss (of Petitioner, Pro Se) and for lack of sufficient evidence on 01272016. As a result, Petitioner cause for civil action.

Numerous times, in various ways, within pretnal motions to dismiss with merit, Petitioner has raised point headed as follows: DEFENDANT'S RIGHT TO

FAIR TRIAL PREJUDICED BY PROTRACTED RESTRAINT OF HIS LIBERTY TO AN AREA

Present case primarily at issue (15-6705) initiated with a Malicious Arrest on 02182015 in Woodland, CA made solely on information uncorroborated and during accuser?s dispatch call? a false, malicious report. Arrest was made away from scene of incident. Original complaint alleged violations of two charges. PC? 647.6(A), Annoy/Molest Child, and PC ? 415(1), Fight/Challenge Fight, Arraignment was scheduled on 05142015 at Respondent Superior Court Prior to arraignment aforementioned, Prosecution rejected said case for ?tack of sufficient evidence ? (On date, Petitioner arrived, court was not even in session Inquiring at clerk of court and the D.A. Office, he learned of rejection by a hand-delivered letter. Letter was addressed to ?indigent? without mailing address provided on served motions.) On 12072015, however, at trial readiness for first case. 13-3628, Judge Maguire opened hearing informing of a new act of presecution charging violation of PC 7 415(1) with 647.6 dropped for lack of sufficient evidence. The Court immediately expedited this new case reinitiated to trial as premary amphasis on docket. Maguire set continuances for other (prior) cases per ?trailing? procedure. Conspicuously, timing of action was tactical toward Abuse of Legal Process with intent to Overburden Petitioner?s Right to Fair Trial

On 02172016, Petitioner filed Common Law Motion to Dismiss Because of Denial of Right to Speedy Trial, Due Process and Fair Trial in case 15-6705 arguing. Bad-faith delay of nine and one half months, without showing of good cause, from arrest to arraignment, constituted ?procrastmation of public officials? denying Fundamental Rights. (Please refer to Appendix ____.) Also, on 02192016 he filed Notice of Motion to Dismiss Because of Denial of Right to Speedy Trial responsive to Prosecution?s untimely disclosure of discovery, and in open court, during jury trial date on 02152016. Therein, he addressed. Programmation of public officials has caused (another) two months of bad-faith delay? pursuant to PC ss 1382 (30-day rule)? since case needed continuance until 04112016. Court prejud-

cially denied both motions on 03232016. (Please refer to Appendix

On 04202016, Petitioner filed Petition for Writ of Mandate and Request for Stay of Proceedings? After Denial of Common Law Motion to Dismiss Because of Denial of Right to Speedy Trial, Due Process and Fair Trial and Notice of Motion to Dismiss Because of Denial of Right to Speedy Trial Regarding Charge of Viole tion of CA PC 415(1) arguing points: JUDGE PREJUDUICALLY ERRED BY MALICIOUS IGNORANCE OF PETITIONER'S FULLY MERITORIOUS ARGUMENT and DEFENDANT IS PRJUDICED BY RESTRAINT OF LIBERTY TO AN AREA. As result, at trial readiness conference scheduled 04212016, trial was vacaled until 06152016 for time in lieu of decision pending upon request for stay. (Prosecutor Fritz Van Der Hoek filed his opposition 05092016? please refer to Appendix Decision upon is still pending untimely delayed by Appellate Division of Respondent Court. In full-faith effort, Petitioner visited clerk multiple times seeking said decision. Court continually informed Petitioner that said Petition has been sent for scrutiny to such as called an ?Attorney Unit? since 05092016 being same date prosecution filed its opposition. Facts provided concerning status raise serious suspicions about ex-parte, out-of-court contact with judge

Actually, proceedings since 06222016 constituted ?Mistrial.? At continued trial readiness on 06152016, Petitioner, again, requested continuance (with showing of cause and merit) in lieu of inordinate, untimely delay (by Appellate Department) of decisions upon his Petition for Writ of Mandate and Request for Stay therein. In response, Judge Maguire. 1) vacated conference until 06172016; 2) then, ordered parties to ?file papers? (and by vacated date of 06172016) informing Appellate Department concerning delays as above. Thereby, only less than two days were given for motion practice, per order, with disregard for statutory procedure. at issue (reasonable deadlines). On 06172016, prior to hearing, Petitioner (being procedurally overburdened unfairly) filed an ANSWER TO RESPONDENT'S RE-

PLY BRIEF addressing, as order, issue of said delays. (Please refer to Appendix ___.)

At continued hearing on 06172016, Judge Maguire informed of denial of stay and set jury selection to begin 06222016. Court prejudicially denied his motions for mistrial. Petitioner (at least) twice orally moved for mistrial upon above facts; he motioned on same date, in open court (06172016), and then during evidentiary procedure hearing (06222016). Judge reasoned, in part, that he only excepts motions in writing (and during oral argument proceedings)

Post further gross abuses of discretion occurring between 06152016 and 06172016, trial wrongfully proceeded on 06222016. Several Due Pro-

cess violations occurred during trial. Just three examples are as follows:

During voir-dire selection on 06232016, Supervisor of Woodland Police Department?s Detective Unit was detected in jury box. Said presence of Officer (Agent of Party in Interest) evidenced intent to collude and conspire in acts of tampering and/or unduly coercing the jury ? evidence of a ?tainted? jury

During fact-trying, prosecution based its case solely upon non-corroborated, unproven accusation of one accuser Evidence presented (by prosecution)

included

Fabricated facts testified by informant as first witness [(being incompetent, irrelevant to charge, inconsistent and contradictory and thus challenged by Petitioner?s motion to impeach on the record, and during cross-examination) (Black?s Law Dictionary 409 Abridged 6th edition 1991)),

Electronic audio recording of dispatch call ? the initial accusation ? reported by said first witness (which included audible background of Petitioner, from a distance, orating about the false report while departing),

Second and last witness, Officer Guthrie of the Woodland Police Department testified that he did not witness incident at scene of complaint while further parol testimony only evidenced that Petitioner had departed scene of incident without Fighting

Yet, jury reached wrongful verdice of ?guilty? and Petitioner was wrongfully convicted of violation of PC ss 415.

Furthermore, trial, to this date, is still incomplete. Court is delaying sentencing, hence judgement, egregiously inordinate. Jury decision and verdict on 06242016 has been last trial decision thus far. Judge, on same date, continued sentencing phase until 06292016. Therefore, under such ?Extraordinary Circumstances? ly with respect to delayed sentencing and judgement in bad-faith), Petitioner, on 06282016, filed Motion to Vacate Judgement arguing following headed points: CAST IS STILL PENDING UPON INORDINATELY DELAYED DECISION ON (PETITIONER?S) PETITION FOR WRIT OF MANDATE, and that FAIR TRIAL PREJUDICIAL LY HARMED BY UNDUE INFLUENCE UPON JURY. (Please refer to Appendix ____.)

On 06292016, at continued sentencing hearing, Maguire (conspicuously) retaliated maliciously against my most recent motion and with motion and methods and intent to preemptively obstruct Post-Trial and succeeding causes for civil actions. On the record, the hearing was completely one-sided? At a series are the sentencing by statute; He attempted to raise and then asserted to raise them. bilatantly denied Due Process precluding right to speak. Continually, he interrupted attempts to assert right for hearing on matter. Furthermore, he reversed accuracy Petitioner overbearingly insisting he not ?interrupt ? Maguire also forbade right to state objections during an Unconstitutional, ex-parts ?presentation? by the Classical

Court acted to unjustly Duress Petitioner to accept settlement offer for a nonstatutory, Unconstitutional alternate to sentencing. Judge opened with prosecution A Christopher Bulkley, Deputy District Attorney appeared present ? not prosecutor on record in the case and during trial (Fntz Van Der Hoek). Bulkeley gave imprene prepared presentation endorsing (on record) a newly conceived ?program? ? the ?Diversionary Homeless Program ? Accordingly, Petitioner would be Conceived in concede to Admission of Guilt, progress through stages of a thought-control program, accept ?Incompetent to Stand Trial? status and controlled. free housing for indefinite period of time (when I am not even native to this state or county).

Since I rejected said offer stating it to be unconstitutional on the record, Maguire persisted to Maliciously Retaliate with Gross Abuse of Discretion Bulkeley reduced. inlant to Maliciously Raise Doubt about Competence to Stand Trial! Maguire threatened (even Blackmailed) with Prejudice in Sentencing Phase 2 an excessive maximum jail term (upon wrongful conviction while refusing to hear Petitioner on issues at hand for which he came prepared) as ultimatum to offer ? an alternate to

stability punishments diverting Post-Trial Due Process. He Vindictively revoked Right to Self-Represent during sentencing and appointed Public Defender for counsel in error Court specified revocation to be ?? ON THIS CASE ONLY FOR SENTENCING.? (Please see Appendix ____) Judge verbally confirmed, per Petitioner?s making in open court. Petitioner otherwise remains Pro-Se in all cases. As reasoning, Maguire rationalized malicious prejudice against Petitioner?s aggressive deliense as behavior indicating mental incompetence. He argued oversimply: Petitioner?s rejection of said counsel was believed by himself to be ?irrational ? Furthermove. Respondent refused to permit objections to Unconstitutional Acts of ?forcing a lawyer? upon a defendant while fully aware of Irreconcilable, Substantial Conflict with same counsel. Court continued sentencing until 07132016. Petitioner filed Faretta motion on 07112016. (Please see Appendix

Date for case 15-6705 concurrently with case 14-1219 has been set for 02162017. Maeanwhile, continued ?trailing? date for case 13-3628 concurrently with 13-23995 has been set, separated from others, for 02212017. Scheduling occurred as result of 2 separate false arrests upon 4 false bench warrants by Woodland Police

Petitioner holds issued warrants constituted gross abuse of discretion and malicious Abuse of Legal Process on following grounds:

Although absent in Respondent court on 08242016, Petitioner was circumstantially unable to appear. He was occupied with procedure of serving Petition for Extraordinary Whit and while indigent, without adequate transportation and distant. 2. Petitioner requested stay of proceedings within Petition aforesaid, 3. Hearing dete on 04042016 was set for multiplicity of matters in all cases simultaneously being continued since 07272016. Colluding public officials exploited anomalous "trailing" procedure to harass Petitioner with multiplication of warrants and arrests upon single hearing. Petitioner was, during this time, constantly active preparing for sentencing and motion practice. Frivolous restraints disrupted his abilities to prepare and practice...

DEFENDANT S RIGHT TO FAIR TRIAL PREJUDICED BY PROTRACTED RESTRAINT OF HIS LIBERTY TO AN AREA

A total accumulation of four criminal matters have overbearingly initiated by the Yolo County District Attorney s Office. Meanwhile, procrastination by public officials in these matters is overbearing upon the Defendant a type of Prosecutorial Harassment that is Bordering on Arrest by unjustly depriving Defendant of ilberty and, also, life in that his opportunities for employment are disrupted; associations (such as Church affiliations) are severed and impaired unto ruination (with isolation deep-seated ostracization) by protracted, punitive, procedural siege in a foreign region. Concurrently, impoverished without domicile, Defendant must expend time-consuming effort toward life-sustaining activities while balancing deliberative, exhaustive labor of Criminal Defense (once again without income). Having, by necessity, to self-represent in such circumstances is depleting his resources; imposing impediments to conducive working conditions; retarding his ability to prepare for trial as a Fair Trial issue, inducing anxiety and inflicting distress reasonable to expect by reasonable person standard. Furthermore, Defendant is forced by necessity to self-represent (in all four cases) due to severely substantial conflict with counsel being in an unfair conflict with agents of the state. The pivotal case on the federal question concerning definition of standards for determining competence to self-represent, Indiana v. Edwards, spawned contributory research and analysis at issue for application in the states. In The Journal of the American Academy of Psychiatry and the Law, Psychiatrists Morris and Frierson published a clinical study on choice to exercise Right to Self-Represent as a phenomena with analysis toward professional guidelines related to forensic psychiatric practice. and fimitations of the decision. The Defendant found article annotated in either California Jurisprudence or American Jurisprudence or American Jurisprudence or American Jurisprudence. prudence or some similar secondary authority for research under the topic of Competence to Self-represent confronted with in Case numbered 13-0003626 and for his Faretta motion.

Amongst positive reasons for such choice, vindicated by these researchers, include, 💝 little trust in the fairness of the legal system 🗣 when it is reasonable to believe that Fiduciary Interests of public defenders are compromised since they are employees of the state (Douglas m. Morris, MD, and Richard L. Frierson, MD, Pro Se Competence in the Aftermath of Indiana v. Edwards, 36 J Am Acad Psychiatry 551-557 (2008)). Obviously, such determinants would constitute an unfair conflict between a Defendant and Agents of the State necessitating self-representation for any adequate defense (especially if defendant is indigent). Defendant, and rationally by his experience, claims: evidence shows such a condition exists in this case pending (as well as others pending simultaneously) giving rise to a severely substantial conflict because of gross ineffective counsel by public defenders.

According to Serna, Right to speedy trial protects criminal defendant against oppressive pretrial incarceration, anxiety, concern and disruption of his even day life. (Serna v Superior Court (1985) 40 C3d 239). Furthermore, this Court reasoned, quoting from U.S. v Marion:

Inordinate delay between arrest, indictment and trial may impair a defendant sability to present an effective defense. But the major evils protected against by the speedy trial guarantee exists quite apart from actual or possible prejudice to an accused s defense. To legally arrest and detain, the Government must assert probable cause to believe the arrestee has committed a crime. Arrest is a public act that may seriously interfere with a Defendant s liberty, whether he is free on ball or not, and that may disrupt his employment, drain his financial resources, curtail his associations, subject him to (reputation harm), and create anxiety in him, his family and friends • (U.S. v Marion (1971) 404 US 307 as quoted in Serna v Superior Court (1985) 40 C3d 239).

Proceeding on these actions would not serve justice, but only prejudice the Petitioner in that the delays are causing undue disruption to his life without justifiable cause. At time of arrest, he did not have outstanding warrants, nor a criminal record. Indigent, Petitioner is not resident to the area. He intends to move on and tend to important life matters, yet his liberty to move is restrained by violation of Speedy Trial Rights of and without income in proceedings pending for total of over three and one-half years in Respondent Court. Finally, in lieu of above, Petitioner has already punitively suffered in excess of maximum sentences for all cases together in total by said restraints.

POINT IN SUPPORT OF JOINDERING CLAIMS FOR EXTRAORDINARY RELIEF

Petitioner s Fair Trial and Due Process Rights have been prejudiced prima-facie in each case by anomalous procedures ordered throughout all pendencles together All prosecutorial actions named herein (cases 13-3628, 1323865, 14-1219 and 15-6705) are connected together in same schema effecting accumulated Overburden unfairly constituting Abuse of Legal Process via Retaliatory and Malicious Prosecutorial and Procedural Harassment. They all have been initiated against Petitioner upon complaints by Real Party in Interest alleging charges. As Gross Abuses of Discretion by Respondent Court, they prove Conspiracy to Commit Infractions against Petitioner s Fundamental Rights amongst Agents of the State in Yolo County colluding.

Pursuant to CA CCP • 1109, petition for Extraordinary Whit initiates a form of civil action and rules of procedure prescribed in CCP • 307-1062.20 apply. Pursuant to CCP 4 427.10), a cross-complainant may join any causes of action he or she has against party making complaint against the same. The purpose of statutory provision for joinder less to permit joinder in one action of several causes arising out of related transactions and involving common issues. The statute should be liberally construed so as to permit joinder whenever possible in furtherance of this purpose (Moe v. Anderson (2012) 207 Cal. App. 4th 826)

For purposes of this Petition for Extraordinary Writ, Petitioner is same as cross-complainant by definition. He possesses these multiple civil causes of action for relief with merit against same party being Real Party in Interest named herein. Therefore, it is in the interest of justice that this court joinder said cases as causes together and issue its peremptory writ ordering Respondent to dismiss in all cases and terminate all prosecutorial actions aforesaid. COURT PREJUDICIALLY ERRED IN ORDERING WARRANT FOR ARREST CHARGING CONTEMPT OF COURT

At 1330 on 007272016, post gross denial of process during 1000 docket, presiding judge (Daniel Maguire) overzealously ordered warrant for arrest charging vindictively acts of misbehavior by Petitioner upon Prosecutor s request ex parte. Judge prejudicially erred in granting order with motive to retaliate by act of vindictive Prosecution in a Conspiracy to Commit Constitutional violations.

On Wednesday 07272016 at 1000, as Defendant self-representing, Petitioner arrived to appear for hearing upon motions at the Superior Court, Yolo County Department 10. As overburdening, arbitrary procedure, hearing was upon 3 separate matters in 2 separate cases. By noon, Petitioner was blatanity denied teaming allthough present. Judge called break for lunch at end of calendared docket session. He then, as recurrence amongst 47 hearings frequented by such prejudisself-restment, retionalized that my cases involve too many issues and take too long. Meanwhile, matters for others were heard dramatically longer than typical for Petitioner at bench. Ornassion constituted flagrant Due Process denial and Procedural Harassment. Improper, it caused excessive disruption to my day. I had other metters to tend to and for survival being discriminatority delayed in court.

Channel scheduled session, a balliff of the Sherriff &s Department vindictively baited to entrap with discriminatory action in open court. Petitioner entered line to approach bench. Sailiff initiated to remove me from the courtroom unreasonably and imprudently. Off the record, as session concluded, Petitioner urgently communicated (as he was being removed) asserting his right for hearing without inordinate prejudicial delay effected. Judge silently ignored, left bench for lunchbreak without acknowledging issue

Petitioner returned 1440 during afternoon docket for addressal of issue. During interim, he had tended to personal necessary matters not able to arrive at exactly (1130 when, circumstantially, court procedurally defaulted previous. Also, it is customary for counsel to arrive enter line during course of session to be heard Some balliff persisted enforcing that Petitioner remain outside courtroom and presented minute order recording, People request a warrant based upon Defendand a contempt/behavior in court. Petitioner requested caliback. After Bailiff attempted further baiting with repeated, irrelevant, circular questioning and responses, he accommodated

Judge called Petitioner to bench then informed on record that he refused to hear him on date. Specific Deputy District Attorney was now absent, although others were then present. Matters were not continued. Judge imposed one minute for requested statement on the record and cut it short.

Petitioner &s spoken words were not on themselves contemptuous, on nor outlered in an insolent or defiant manner (Rose v Superior court in and for Los Angeles County (1934) 140 Cal. App. 418). He acted within right, in context, addressing blatant denial of Due Process as Constitutional Fundamental Right. I-tis act possessed justifiable showing of cause necessary toward aggressive defense addressing distressingly expedient issue; especially factoring extraordinary corcumstances resulting from prolonged pattern of Abuse of Legal Process harassing petitioner in a harmful manner (as above). His statement failed to warn & before taking disciplinary action against (Petitioner) during ex-parte proceeding subsequent with Prosecutor (Gallagher v Municipal Court of City of Los Angeles (1948) 31 Cal 2d 784; in re Buckley (1973) 10 Cal 3d 237).

Petitioner did not opersistent(by) (interrupt) occurt proceedings (as) an attorney of as to embarrass the administration of justice (In re Hallimann (1932) 126 Call App. 121). Pro Se, he possessed the duty to protect (his) interests (as Defendant) and press legitimate argument and to protest an erroneous ruling & which was, by omission, act obstructing justice by Due Process (In re Hallimann, Supra).

Here, summary contempt power must not stifle freedom of thought and speech so necessary to a fair trial under the adversary system. In re Hallimann, Supra) The court must not unduly interfere with representation (as Cobligation to vigorously represent interests of a Defendant; (a) apparent disrespect was & objectively clear to but the subjective impression of the judge (Degeorge v Superior Court (1974) 40 Cal. App. 3d 305). Extraordinary Circumstance of Overburden in lieu of Abuses of Legal Process make it impracticable for Petitioner to file timely several motions at issue (such as

Change of Venue, Disqualify Judge and Prosecutor) not several Petitions for each case. Therefore, it would be in the interest of justice for Court to order stay on all proceedings in all cases against Petitioner per requests and in joinder of causes. Doctrine of laches (in fairness) rules at issue.

Whereas, on 06232016, Petitioner filed request for transcript of trial beginning 0622016.

Whereas, on trial date of 96242016, obviously responsive to requests filed aforesaid, court reporter, Lisa Schafer, approached Petitioner present in courtroom communicating transcripts would not ever be provided to him. She claimed her manager informed her of policy accordingly, instructed her to inform petitioner of said policy based on grounds that a fee waiver was never ordered covering (when a fee waiver had been granted recorded in court file which Petitioner previously had received transcripts upon during pre-trial and when such delivery is at cost of the state in criminal proceedings by statute and relevant Judicial Council rules). Whereas, on 06242016, petitioner filed application for fee waiver specifically for transcripts and Respondent filed order denying request on either 06252016 or 06272016 reasoning. Judgement has not issued and no appeal is pending. Request may be re-submitted after entry of judgment. Judge dated order signed as,

Whereas, court has procedurally defaulted on ignoring Petitioner &s application filed 07012016. Whereas, Petitioner filed Request to Waive Additional Court Fees on 07152016 specifying transcripts were needed for Petitions and for Faretta motion, not appeal. Whereas, on 07192016, judge, delaying request filed 07152016, ordered another fee waiver hearing date for 08242016 being same date set for continued sentencand warrant review, hearing upon Faretta motion and multitude of other matters for all cases simultaneously as Procedural Harassment and Abuse of Legal Process. Thereby, despite Petitioner to full-faith and diligence to acquire proper transcripts, Respondent Court has denied delivery and they are unavailable for attachment MOTION TO DISQUALIFY JUDGES

Petitioner, James E. Horton, Pro se, In forms pauperis, now comes attesting as follows: Name to a continuous continuous of cases at issue to petition attached show, prima facie, that public officials at the Superior Court of the State of California, County of

Yolo, respondent, possesses malice intent toward him and are hostile to his Fundamental Rights. They are clearly incapable of being impartial. Respondent is training said Petitioner's ability to prepare defense with unjust overburden by accumulative prosecutorial harassment, speedy trial and due

process denies and infractions disrupting his life. Therefore, he tacks time for further research at issue for this motion. Viverefore, Petitioner hereby moves this court, however, to issue its decision, mandate or order, upon whatever ments by applicable law are obvious prima face to disqualify all judges of said respondent court from hearing matters and adjudicating further in Petitioner's cases immediately with stay. Even if precedental, granting this motion serves the interest of justice when weighing presumptive issues.

THE STATE OF CALIFORNIA James E. Horlon Case No. C08425 MOTION TO COMPEL RECORD AND TRANSCRIPTS NEEDED FOR REVIEW Compile Personer on full faith and diligence to acquire adequate record, Respondent Court has denied delivery and it is unavailable for attachment. (Please refer to Exercises to SEPPORT PURSUANT TO CARULES OF COURT 4 8 486(3) IN LIEU OF NON-POSSESSION OF POPER TRANSCRIPTS exercised as pg. 23 @ Expendix A.; Petitioner has conveyed, to Appellate Court, intent to occurrents from lower court and Real Party in Interesto subsequent to and upon

filing of his petition. (Please refer to DECLARATION IN SUPPORT PURSUANT TO CA RULES OF COURT 8.486(B)(2) IN LIEU OF NON-POSSESSION OF FILESTAMPED HARD COPIES TO APPENDIX attached as pg. 22 of Appendix A.) Respondent Court immediately Summarily Denied improperly without allowing for the above. Transcripts and case-file record are necessary pursuant to CA Rules of Court 8.486.

Furthermore, Petitioner avers experiencing deprival of mail delivery by post offices in Yolo County consistent with much evidencing collusion amongst public officials to commit retailatory misconduct and out of court. Although not able to substantiate evidentiary here now, Petitioner pleads this court to justly factor assertion, its possibility, regarding a conspiracy to commit various harmful violations causing Petitioner, indigent, to be destitute of a reliable, physical mailing address. (Recently prior to respondent judge McGuire's acquisition of position at the bench, he served as non-judge in executive cabinet of Governor Schwarzenegger at the capitol of the state of California and possesses connectivities to misappropriate toward such an asserted design.) Therefore, he demands delivery by attachment and transmission, and void of any further procedural requirement (statutory or otherwise) upon Petitioner (as they would obstructive to his presumptive rights at issue) serviced to his email address herein provided which he is able to access even under Extraordinary Circumstances imposed as averred. He desperately needs copies for his records for defense. Wherefore, even if precedental in the interest of justice procedurally, Petitioner hereby moves this court for an order compelling respondent to deliver transcripts and case-file records... Afty Frank Forchione. Unhelpful with my valid complaints with Marie as prosecutor. [Currently, judge of Common Pleas]

Afty Christine Johnson: Convicted of fraud after acting as G.A.L.

Law Director Joseph Martuccio: Externship at Law Dept. He said "If you tell what goes on here, your dead... just kidding" during my interview. I assumed he was kidding.

Afty George Urban. My law teacher at Brown Mackie. He told to me to put my Bible away in class. He got in my face and yelled about Adam and Eve's free-will. It was bizarre.

Vice Squad. When I reported about Marie.

Ex-management of American Rescue Workers (the Walkers and Larry Martin): After my stay in late 2004, they were raided for corruption. I spoke of my experiences.

Atty Morello: He represented Marie.

Marie Brosky Assaults at the house and evidence from P.I.

Various people I have met at the Y.M.C.A. since I moved in 1999: I did not run in the same flood of dissipation with drugs and prostitutes and so on. Many became hostile for this. I did not condone their ways although I treated them with dignity as human beings. They resented it. (Where do they get the drugs from?)
CANTON CHILDREN SERVICES: Per Marie's report, they claimed that I "gave them so much attitude that they had to get the 'manager'". I see the incident differently. I feel I was treated with incredulity and discimination as a non-custdial father. I was only persistent about my concerns. The predominantly female staff were consistently attitudinal and derogatory. I felt disrespected as a concerned parent.

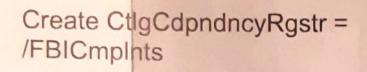

CANTONITES WHO KNOW ME

Judge Michael Howard: I was active as my own attorney during my Domestic cases. I attracted a lot of attention with my innocent activities at Family Court. During my externship at the Law Dept.:

Atty Kathleen O. Tatarsky: I drafted memorandum for her and organized her files.

Judge John Poulos: I observed court room procedure under him during my exernship. He acknowledges me on the street...
